Consumer Notice: Potential temperature compromised items may have been sold at Geissler's Supermarket Inc. in East Windsor, CT

Geissler's Supermarket of East Windsor, CT encountered a refrigeration issue the night of Saturday August 29, 2020. Due to a failure of the alarm system there was partial refrigeration in select parts of the store and meat and select deli items may have been compromised.

Potentially temperature compromised product may have been sold from Sunday August 30, 2020 through 2pm of Monday August 31, 2020 in the East Windsor, CT location.

Fresh Raw Meat products including beef, pork, chicken, lamb or veal that may have been compromised can be identified with a **September 1, 2020 or September 2, 2020 Best By Date**. These items should be disposed of by customers or returned to the East Windsor, CT store for a full refund.

Smoked meat items, including bacon, hot dogs, ham, salami and charcuterie may also have been effective. Refrigerated pickles, fresh sauerkraut, and national brand deli meats and lunchables sold from the same display case may have also been compromised. Any of these items **purchase on Sunday August 30, 2020 through 2pm Monday August 31, 2020** should be destroyed by the customer or returned to the East Windsor, CT store for a full refund.

Deli meats sliced to order or available with a deli style sticker pre-sliced were not affected.

Currently there have not been any confirmed reports of issues from customers.

All meat products currently for sale were delivered fresh to the store or cut from existing inventory that was not temperature compromised.

We are doing this as an abundance of caution.

Potentially compromised fresh meat products, smoked meat items including bacon, sausage and deli meat, ham, salami or other items such as pickles or fresh sauerkraut sold from the same display case should be destroyed or returned to the store for a full refund.
