

RFP: Community Health Assessment Consultant

Addendum #1 – Final Q&A

Question 1-Do you have a sense of the budget range?

Question 2-Is there a maximum amount of funds that applicants may request?

Question 3-Is there an anticipated price range for the RFP budget?

Answer: The RFP encompasses a large-scale project with a significant task and deliverable expectation that will involve consistent interaction with the NCDHD staff as well as leadership in our eight Member-Towns. We anticipate that applications will reflect this.
